TRES FACILE Balade patrimoine : de la Bastide de Lestelle au pèlerinage de Bétharram

This tour of the village of Lestelle-Bétharram in the Pays de Nay offers a pleasant walk for all the family and takes you along the paths of history and of great Christian myths. Starting at an old fortified town built to a plain and straight-sided plan, you go on to discover the incredible architectural and statuary mix of the Sanctuary of Bétharram, a major centre of the Marian pilgrimage pre-dating that of Lourdes. You can enjoy the site's baroque architecture, which is unique in Bearn.
