## ★ À ne pas manquer

- **Exit the woods.** View of the Lariou (1903m)
- **Trough.** Troughs are essential to breeding livestock and were positioned near springs.
- **Aydius houses.** Typical houses
- **Washhouse.** Former washhouse.

## ★ Étapes

**Step 1. Shaded path.** Park at the enter of the village. Head towards the village and go up the street. Take a right onto a lane, pass the church and go down until the washhouse. Take the stunning path on the ledge. Follow the rising path after the gate (please close it). The sometimes narrow path winds across. After the trough, tackle the twists and turns up to reach a road.

**Step 2. On the ledges.** Cross it and walk onto the piste ahead. When it gets flatter, take the path on the right. It starts out in the ferns then goes under a canopy of dense foliage. Once on the road, carry on going up until a fork and take a left. Go down towards the village to the square.
